in ismayilzada

🌐 iamemil

Highly motivated and **creative** software developer with more than **2 years** of experience in building web, desktop apps, RESTful APIs. Skilled in Web development and Database design. Eager to improve in mobile development and microservices.

🧠 Skills

🎓 Education

Computer Science MSc, University of Debrecen ✎

09/2022 – present | Debrecen, Hungary

Computer Science BSc, University of Debrecen ✎

09/2019 – 06/2022 | Debrecen, Hungary

GPA 4.42/5.0

Developed a web-based Expense Tracker platform ✎ using **ReactJS**, **C#**, **ASP.NET** and **MSSQL**, allowing users to track expenses by scanning QR codes of receipts. Integrated API from the State Tax Service to obtain information and expanded the platform to include features such as categorization of receipts, tracking of prices over time, and statistical analysis.

📁 Professional Experience

Software Developer Intern, VisitMe ✎

04/2021 – present | Debrecen, Hungary

- Collaborating with a team to develop multiple web applications using **ReactJS**, **ASP.NET**, and **C#**.
- Contributing to the development of a guest list app for events, which helps manage attendance and streamline check-ins.
- Designing and developing an easy-to-use menu page for customers, enhancing the user experience and improving customer engagement.
- Learning and implementing best practices for software development, testing, and deployment.
- Participating in team meetings and discussions to share ideas, identify problems, and propose solutions.

Front End Developer Intern, LimeLight Renhold ✎

03/2021 – 05/2021 | Oslo, Norway

- Designed and developed responsive web pages based on assigned tasks, adhering to web development best practices and guidelines.
- Improved existing web components to match customer needs, optimizing the user experience and engagement.
- Collaborated with the design team to ensure the web pages' visual design and branding aligned with the company's image and message.
- Utilized front-end technologies such as **HTML**, **CSS**, and **JavaScript**, and worked with web development frameworks and libraries such as **Bootstrap**.
- Implemented responsive web design principles and techniques to ensure compatibility across devices and browsers.
- Participated in team meetings, code reviews, and testing sessions to ensure the quality of the web pages.

Projects

ASP.NET Developer, *Abdel's Kitchen*

05/2021 – 06/2021

- Created online exclusive meal order system / POS with **ASP.NET**, **HTML/CSS/JS** stack
- Designed and implemented a user registration system that allows customers to create and manage their profiles.
- Collaborated with the admin team to establish an approval system that grants customers full access to the website's features.
- Built a comprehensive backend system that enables the owner to manage orders, customers, items, and view sales statistics.
- Successfully delivered the project within the given timeframe, meeting all requirements and ensuring seamless functionality.

ASP.NET Developer, *CavApp*

05/2020 – 06/2020

- Built a QA forum with a payment feature, enabling users to ask questions by paying and choose answers from other users' responses.
- Implemented a payment system that allowed chosen answer users to receive payment, and users to use their balance on the website or withdraw it.
- Utilized **ASP.NET** and **C#** programming languages, and integrated third-party payment APIs for secure transactions.
- Deployed the application on the **Microsoft Azure** platform and ensured optimal performance.

Languages

English (IELTS 8.0) • **Turkish** • **Azerbaijani**

Certificates

CCNA Routing and Switching: Introduction to Networks

Cisco Networking Academy

IT Specialist - Cloud Computing

Certiport

Software Design for Social Inclusion

Participated in the Blended Intensive Programme (BIP) organized by Escuela Técnica Superior de Ingeniería de Telecomunicación (ETSIT) from Universidad Politécnica de Valencia (UPV)

Courses

ASP.NET, C# Development, *Code Academy*

12/2017 – 07/2018 | Baku, Azerbaijan

Awards

2nd place in Web Project category,
GoldenByte International IT Championship

18/05/2018
